SUPPLY CORPORATION TO AMEND §
ITS CERTIFICATE OF CONVENIENCE § OF TEXAS
AND NECESSITY FOR PARTIAL §
DECERTIFICATION IN ROCKWALL §
COUNTY §

ORDER NO. 4
FINDING APPLICATION DEFICIENT, ESTABLISHING DEADLINES
AND OPPORTUNITY TO CURE

This Order addresses the sufficiency of the June 23, 2021 petition of Mount Zion Water Supply Corporation to amend its certificate of convenience and necessity number 10088 for partial decertification in Rockwall County. On August 10, 2021, Mount Zion filed a revised petition.

On September 13, 2021, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before October 13, 2021, Mount Zion must supplement the application to cure the deficiencies as described in the September 13, 2021 memorandum of Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before October 28, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule.

Signed at Austin, Texas the 15th day of September 2021.
