**I. APPLICATION BACKGROUND**

On June 24, 2021, the Applicants filed an application (the "Application") for approval of the sale and transfer of certificate of convenience and necessity ("CCN") rights in Caldwell County and Bastrop County. Aqua WSC seeks approval to acquire facilities and to transfer all of Polonia WSC's certificated water service area in Polonia WSC's CCN Number 10420 to Aqua WSC's CCN Number 10294, and the cancelation of Polonia WSC's water CCN number. The Applicants have been in communication with Commission Staff and it has come to the Applicants' attention that Polonia WSC's water CCN Number 10420 has been amended by Order No. 4 Granting Streamlined Expedited Release, filed with the Public Utility Commission of Texas ("PUC") in

Docket 52474<sup>1</sup>. Accordingly, Applicants are providing revised supplemental mapping documents and digital mapping files to reflect the amendment of Polonia WSC's water CCN Number 10420 approved in PUC Docket 52474.

## **II. THIRD APPLICATION SUPPLEMENT**

Applicants are providing the attached revised general location small scale and detailed large scale maps as **Attachment A**, as well as revised digital mapping data as **Attachment B**, which should reflect the amendment of Polonia WSC's water CCN Number 10420 approved in PUC Docket 52474<sup>2</sup>. The approximate acreage of the requested area is 38,623 acres following the amendment of Polonia WSC's water CCN Number 10420 in PUC Docket 52474.

## **III. MOTION TO ADMIT EVIDENCE**

Applicants move to admit this third application supplement and the attached supplemental mapping documents and digital mapping files into the record as evidence of this proceeding.

## **IV. CONCLUSION AND PRAYER**

Based on the foregoing, the Applicants respectfully request the Commission approve the proposed transaction to proceed, and the Applicants respectfully request that the items listed above be admitted into the record of the proceeding as evidence.
