**APPLICATION OF EVAN STATON § PUBLIC UTILITY COMMISSION
FOR SALE, TRANSFER, OR MERGER §
OF EXEMPT UTILITY § OF TEXAS
REGISTRATION §**

**ORDER NO. 8
FINDING NOTICE DEFICIENT AND ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses the sufficiency of notice provided by Evan Staton for the transfer of an exempt utility, Lone Oak Water System (exempt registration number N0059). On February 17, 2022, Commission Staff filed a recommendation on notice.

In Order No. 7 filed on January 10, 2022 the administrative law judge required the applicants to proceed with providing public notice to all current customers and to each future customer at the time they connect to the system. To date, the applicants have not filed proof that notice was provided to all existing customers.

Accordingly, the ALJ finds the notice deficient and directs the applicants to provide notice of the application and proof of notice in the manner described in and attached to Commission Staff's January 7, 2022 recommendation. The ALJ establishes the following procedural schedule:

Event	Date
Deadline for the applicants to file in this docket signed Water Service Application/Agreement forms from each existing customer	April 4, 2022
Deadline for Commission Staff to file a recommendation on sufficiency of notice	April 18, 2022

Signed at Austin, Texas the 4th day of March 2022.
