ORDER NO. 3
REVISING STYLE AND REQUIRING REVISED PROPOSED TARIFFS

This Order addresses the clarifications filed by Blessing-Stonegate, L.P. regarding its change in name, the filing of an assumed name certificate, and request to revise the style of this docket. This Order also addresses the need for Commission Staff to file revised proposed tariffs to reflect the changes detailed in Blessing's clarifications.

Blessing's clarifications reflect (1) that Blessing-Stonegate, L.P. was formed as a Texas limited partnership in 1999 and in 2001 filed a certificate of amendment, changing the entity's name to Lewis Stonegate, L.P.; (2) that Lewis Stonegate, L.P. operates Blessing Mobile Home Park and, as of August 6, 2021, has an assumed name certificate with the Texas secretary of state for the name "Blessing Mobile Home Park;" and (3) a desire to change the style of this proceeding to reflect the preceding clarifications.

The administrative law judge revises the style of this proceeding as reflected in this Order.

In light of the above clarifications, Commission Staff must, by August 11, 2021, file revised proposed tariffs reflecting the changes described above.

Signed at Austin, Texas the 9 of August 2021.
