RE: Project No. 52299, Coordination of Emergency Operations Pursuant to
TWC § 13.1396(c) – Palo Pinto County Municipal Water District No. 1

Dear Public Utility Commission of Texas,

Palo Pinto County Municipal Water District No. 1 (“PPCMWD”) is submitting this information for filing pursuant to the requirements of Senate Bill 3 of the 87th Legislature and Texas Water Code § 13.1396. PPCMWD owns the following water system a public water system (“PWS”) identified by Texas Commission on Environmental Quality PWS ID No. TX1820075, which is operated by the City of Mineral Wells.

The attached documents include emergency contact information and a list of water facilities that should qualify for critical load status with PPCMWD’s electric provider. As noted on the attachments, PPCMWD requests that the Commission file its critical load facilities designation information confidentially due to its sensitive nature. If you have any questions, please contact me at 512-322-5818 or dklein@lglawfirm.com.

Sincerely,

David J. Klein
