Identification: The City of Saginaw is located in Tarrant County just north of Fort Worth, Tx. Saginaw has one facility that qualifies as a critical load status, Longhorn Pump Station facility. Saginaw does not treat water or wastewater, we purchase our water from the City of Fort Worth and send our wastewater to be treated by the City of Fort Worth. Longhorn Pump Station provides water to over 8,000 connections within our system. Saginaw's electric utility is provided by ONCOR.
