RE: PUCT Project 52299 Submittal

To Whom it May Concern:

Hayter Engineering submits this document to serve as the Public Utility Commission of Texas's Project 52299 submission for the **City of Bonham's** Water and Wastewater system. As per Senate Bill 3, 87<sup>th</sup> Legislature, Regular Session, the affected utility represented is submitting this document so that it may be filed and kept on record in the event of an emergency.

- The City of Bonham qualifies as an affected utility because it is a retail public utility that
  - o Furnishes water service to more than one customer; and
  - o Is not in Fort Bend or Harris Counties
- The City of Bonham is required to send this information to each of the following, for the purpose of filing and record keeping.
  - o The PUCT
  - o Each electric utility that provides transmission and distribution services to this entity
  - o Each retail electric provider that sells electric power to this entity
  - o The office of emergency management in Fannin County
  - o The division of emergency management of the governor
- Information required in this document is
  - o System name and associated names
  - o List of all water and sewer facilities that qualify for critical load status, including name, location, and description of utilities
  - o Emergency contact name/number
  - o Alternate contact name/number
  - o Affected Utility's mailing address

Required Information is listed below and is continued on the next page
