Re: Project 52299
Style: COORDINATION OF EMERGENCY OPERATIONS PURSUANT TO TWC §13.1396(C)
Filing Party: Valley WSC

Dear Sir / Madam:

The Valley Water Supply Corporation (WSC) is providing the coordination of emergency operations pursuant to TWC §13.1396(C). The required information is provided as follows:

- Water Utility Name: Valley Water Supply Corporation
- Public Water System: Valley Water Supply Corporation
PWS ID: TX0630013
- Location and general description of the facility of all critical load water facilities:

The location and general description information along with additional details for each facility were provided to the electric utility that provide transmission, distribution, and retail service to the utility (South Plain Electric Cooperative (SPEC); the email to SPEC with the critical load details is attached which contains the required information.

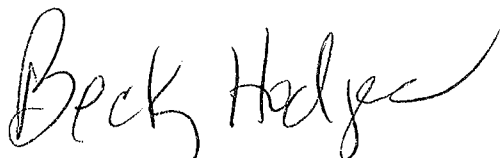

All facilities are located in Dickens County.

- Emergency contact information:
 - Point of Contact: Becky Hodges
Cell phone: 806 269 8000
Email: blh8000@gmail.com
 - Alternate Point of Contact: Derek Bilberry
Cell phone: 806 269-7330
Email: dbilberry14@gmail.com
 - Mailing Address:
Valley WSC
P.O. Box 342
Spur, TX 79370

This letter is being sent to the Public Utility Commission, the Dickens County Emergency Management office in which the utility has water wastewater facilities that qualify for critical load, and the Texas Department of Emergency Management (TDEM).

Please feel free to contact me with any questions or comments.

Sincerely,

Attachment SPEC Email with Critical Load Information
