Re: SB 3 Notification, Critical Load Status

Mr. Hale,

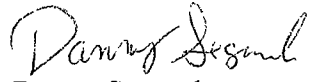

The City of Somerville, Texas would like to take this opportunity to notify your agency that the City does meet the requirements of an “affected utility” as described in Senate Bill 3. The following is information related to our public water system and wastewater systems owned by the City of Somerville.

1. Name: City of Somerville Water Plant
Location: PR 3013
Site Service: There are two (2) ground storage tanks, two water wells, chlorination facilities, 3 booster pumps with motors, and an office building.
Generation on site by diesel fuel.
2. Name: City of Somerville WWTP
Location: 577 FM 1361
Site Service: .30 MGD WWTP, race track type facility, chlorination facilities, aeration chlorination, clarifier.
Generation on site by diesel fuel.
3. Emergency Info: 1st Point of Contact – Danny Segundo, City Administrator (979) -596-1122, cell (281) 614-9736
2nd Point of Contact – Joshua Young, PW Director, (979) – 220-9360
3rd Point of Contact – Dustin Lozano, HDU Services, (979) – 739-1706
4. Mailing address: City of Somerville
PO Box 159
Somerville, Tx 77879

1181

If you have any questions or need more information, please contact me at (979) 596-1122 or email at managercos@somervilletx.gov.

Sincerely,

A handwritten signature in cursive script that reads "Danny Segundo".

Danny Segundo
City Administrator
City of Somerville
