Re: Critical Load Application for Jim Hogg County and ESI ID 10032789447370437.

Dear Mr. Billy Moss,

Thank you for submitting your Application for Critical Load Customer Status. Based on the information provided in your application and verified by our Customer Service Account Representative, the account for electric service **does** qualify as a Critical Load Customer account, as defined by the Public Utility Commission of Texas.

The site has been designated as a Critical Load location as of **November 16, 2021**, however, the Critical Load designation does not constitute a guarantee of an uninterrupted supply of energy.

Sincerely,

AEP Texas
