Re: Affected Water Utility Critical Load Designation Filing

On behalf of High Prairie Water Supply Corp., I am filing this letter with MidSouth Electric Co-op (our electric utility) pursuant to Texas Water Code (TWC) 13.1396. High Prairie WSC owns and operates one public drinking water system. The water treatment plant and well site qualifies for "critical load" status during times of emergency when electrical service may be affected. As required by TWC 13.1396 the following information is being provided:

**Name of Water Utility:** High Prairie Water Supply Corporation (formally known as Madison County Water Supply Corporation)

**Public Water System Owned and Operated by High Prairie WSC:**

1. High Prairie Water Supply Corp. (PWS ID No. 1570018) located in Madison County

**Critical Load Facility/Location:**

1. High Prairie Water Supply Corp. Plant, 4549 FM 1452 W, Madisonville, TX 77864 (30.94522,-95.000006

**Emergency Point of Contact Information:**

Primary: Mickey Fite, Water Operations/Plant Manager, 936-348-1733, [txjmf@aol.com](mailto:txjmf@aol.com)

Secondary: Paul Richie, President, 936-348-8288, [pauldrichie@yahoo.com](mailto:pauldrichie@yahoo.com)

**Mailing Address:** P.O. Box 537, Madisonville, TX 77864

If you have any questions or would like more information, please feel free to contact me.

Sincerely,

Mickey Fite

Water Operations/Plant Manager
