In compliance with Project 52299 Senate Bill 3, 87th Legislature, Regular Session, Texas Water Code (TWC) 13.1396 and the Emergency Preparedness Plan (EPP), we here at Leigh Water Supply Corporation, are filing this letter with PUCT and our service providers. We are an "affected utility" and we fall under "critical load status", by which we are claiming that the electricity provided to our facilities directly affects the health and wellbeing of over 5,000 residents with approximately 1,792 water service connections. We provide water service to the outskirts of Marshall, most all of Karnack, all of Scottsville and the Leigh area in East Texas. We have included a map of our service area.
