Re: PUC Project 52299

To Whom It May Concern:

The city of Dawson currently owns and operates a public water system that can be classified as an affected utility in Texas Water Code § 13.1394.

The city of Dawson water system is a small, community water system that purchases treated surface water from the city of Corsicana. The water is delivered to one ground storage tank which is then sent to our distribution system from the adjacent pump station. The location of the pump station is 18580 FM 709 N, Dawson, TX.

The point of contact for the affected utility is Chris Foley, Water Superintendent. He can be reached at 254-495-0729, or chris.foley@cityofdawson.com. The assistant superintendent, Randall Greer, can be reached at 903-875-5257 or dakota.greer@cityofdawson.com

The mailing address for the city of Dawson is P.O. Box 400, Dawson, TX 76639.

If you have any questions, please let me know.

Sincerely,

Chris Foley
Superintendent
City of Dawson
