Re: Project 52299
Style: COORDINATION OF EMERGENCY OPERATIONS PURSUANT TO TWC §13.1396(C)
Filing Party: City of Trent

Dear Sir / Madam:

On behalf of the City of Trent, Enprotec / Hibbs & Todd, Inc. is providing the coordination of emergency operations pursuant to TWC §13.1396(C). The required information is provided as follows:

- Water Utility Name: City of Trent
- Public Water System: City of Trent
PWS ID: TX2210009
- Wastewater System: None - the City residents utilize septic tanks.
- Location and general description of all critical load water facilities:

There are no critical load water facilities for the City of Trent. The water system relies on its purchased treated water provider and gravity to maintain 20 PSI throughout its distribution system. Taylor Electric Cooperative provides transmission and distribution service to the City. No coordination was completed with Taylor Electric Cooperative since there are no critical load facilities. The Eskota Road Ground Storage tank which is fed by the City of Sweetwater and subsequently feeds the City of Trent via gravity is located in Nolan County. The City of Trent is located in Taylor County.
