**Re: Texas Water Code (TWC) § 13.1396 – Coordination of Emergency Operations
York Valley Municipal Utility District
GEI No. 1558-11544-54**

To Whom It May Concern:

Gray Engineering, Inc., on behalf of York Valley Municipal Utility District (District), requests exemption from the requirements set forth in TWC § 13.1396 on the grounds that the District is an inactive district and therefore provides no services nor has any ability to do so currently because no water or wastewater infrastructure currently exists within the District. If you have any questions or require additional information, please do not hesitate to contact our office at (512) 452-0371.

Sincerely,

GRAY ENGINEERING, INC.
