RE: Project 52299 Senate Bill 3, 87th Legislature, Regular Session Compliance – Texas Water Code (TWC) § 13.1396

Public Utilities Commission of Texas, Austin Energy- City of Austin Utilities, Travis County Office of Emergency Management, and the Texas Division of Emergency Management:

On behalf of the **Wells Branch Municipal Utility District**, which is defined as an “affected utility” under TWC § 13.1396, Crossroads Utility Services, LLC, is filing this letter of compliance to meet the requirements of Texas Senate Bill 3. According to the *Utili-Facts* guidance sheet, a publication of the Public Utility Commission of Texas, this letter is to identify the name of the water or sewer utility, identify the location and a general description of all water and sewer facilities that qualify for critical load status, and include emergency contact information for the affected utility. The subsequent information provided is in congruence of the requirements of Senate Bill 3, and meets the compliance deadline of November 1<sup>st</sup>, 2021.

**Name of Water or Sewer Utility:** Wells Branch Municipal Utility District

**Mailing Address:** c/o Crossroads Utility Services  
2601 Forest Creek Dr.  
Round Rock, TX 78665
