Dear Power Provider,

Wickson Creek Special Utility District (WCSUD) is sending this letter, as mandated by the PUC of Texas, Project 52299, under Texas Senate Bill 3, of the Texas Water Code 13.1396, in order to identify ourselves as an "affected utility". WCSUD is a public water system to which you provide electric power and WCSUD provides potable water service to residential and commercial customers. The WCSUD systems are listed below and a detail by Electric Provider is attached for each system listing their facilities that qualify for critical load status.

- Wickson Creek SUD Brazos County PWS #0210005, Electric Provider Bryan Texas Utilities
- Wickson Creek SUD Robertson County PWS #1980010, Electric Provider Bryan Texas Utilities
- Wickson Creek SUD Grimes County PWS #0930003, Electric Provider MidSouth Elec & Entergy Texas Inc.
