Public Utility Commission of Texas

RE: Senate Bill 3 Requirement-PUC Project #52299

To: Public Utility Commission of Texas

City of McAllen Public Utility in compliance with Senate Bill 3 by submitting the following water and wastewater facilities within your area of electrical operation that are crucial to public health and environment and that meet Critical Load Status. Please see the following lists from McAllen Public Utility that meet the Critical Load Status; furthermore, please see the list for emergency contact for the water and wastewater facilities.

If you have any questions or require more information please contact Edward Gonzalez, Water Systems Director at (956) 681-1701 or David Garza, Director of Wastewater Systems at (956) 681-1750. Thank you.

Respectfully,

Marco A. Vega, P. E.
General Manager
McAllen Public Utility
