## **Re: City of Hallettsville – Notification of Critical Load Status**

Pursuant to the requirements of Section 13.1396 of the Texas Water Code, the City of Hallettsville, an affected utility, does hereby provide the following information regarding its critical load status to your agency, as well as, to the electric utility that provides transmission and distribution service to the city, the Lavaca County Emergency Management, and the Texas Division of Emergency Management:

The City's Critical Load Facilities list containing the location, general description of all water and sewer facilities that qualify for critical load status is below. All facilities are provided for by the City of Hallettsville Electric Utility Services. As is the Emergency contact information for the City's primary point of contact and alternate point of contact. The City's mailing address can be found in the header.

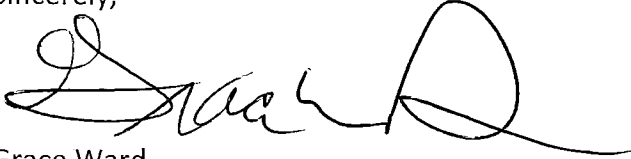

Emergency Point of Contact  
Otto Cervenka  
Director of Public Works  
Office: 361-798-2201  
Cell: 361-798-6783

Alternate Point of Contact  
Cheryl Sommer  
Assistant Director of Public Works  
Office: 361-798-2201
