RE: Senate Bill 3, 87th Legislature, Regular Session, Texas Water Code (TWC) §13.1396
City of Mountain City, Texas PWS ID 1050062

To Whom it May Concern:

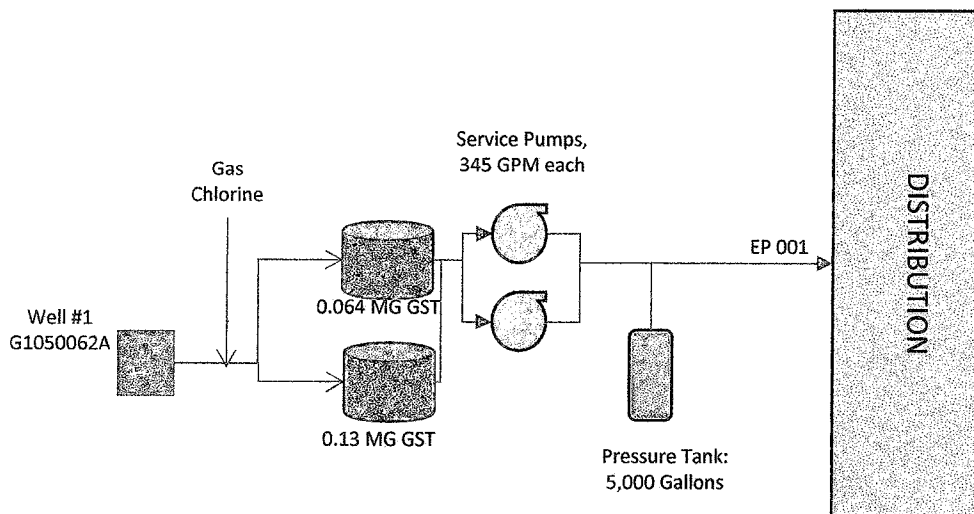

The City of Mountain City files the below information and mapping to meet the compliance needs and deadline for SB3.

1. Name of your water utility:
The City of Mountain City, Texas.
2. List of all the public water systems owned by your utility
City of Mountain City, PWS ID No. 1050062
3. Identify the location and provide a written, general description of all water facilities that qualify for critical load status (may include maps if this would help you identify the location of your facilities); and

The City of Mountain City owns and operates the City of Mountain City Public Water System. The system has one groundwater well. The system serves approximately 640 people through 234 connections.

Groundwater from the Edwards Aquifer is the source of water for the City of Mountain City public water system. The system maintains two ground storage tanks and one pressure tank with gas chlorine for groundwater treatment. A schematic of the Mountain City Water System is presented below.

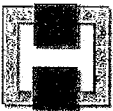

City of Mountain City PWS ID No. 1050062

Schematic of City of Mountain City Water System

The location of the City of Mountain City critical load status assets are located generally at lat/long: 30.034719, -97.900590 (behind 337 Live Oak Dr., Mountain City, Hays County, Texas). Please also see attached site map.

4. Emergency contact information for the affected utility, including:
 - a. The name of the person who will serve as a point of contact and the person's telephone number;
Mayor Ralph McClendon
512-262-0028
512-757-4787

- b. The person who will serve as an alternative point of contact and the person's telephone number; and
Byron Townsend, Operator
512-461-2449

- c. The affected utility's mailing address.
