Texas Senate Bill No. 3, Section 36(a) says that not later than November 1, 2021 each affected utility shall complete the submissions required by Section 13.1396(c) of the Water Code.

- Texas Water Code 13.1396
 - o (1) Information identifying the location and providing a general description of all water and wastewater facilities that qualify for critical load status; and
 - o (2) emergency contact information for the affected utility, including:
 - (A) the person who will serve as a point of contact and the person's telephone number;
 - (B) the person who will serve as an alternate point of contact and the person's telephone number; and
 - (C) the affected utility's mailing address.

Please find below information to comply with the requirement.
