Re: Affected Utilities Required Information Pursuant to Texas Water Code §13.1396
(Senate Bill 3)

To the Public Utility Commission:

White Rock Water Supply Corporation filed a petition with the Texas Commission on Environmental Quality (TCEQ) to convert White Rock Water Supply Corporation to White Rock Water Special Utility District. White Rock Water Special Utility District purchases water from Bistone Municipal Water Supply District and City of Mexia. It is a Special Utility District existing and operating under Article XVI, Section 59 of the Texas Constitution. The Special Utility District submits the following information to the Public Utility Commission of Texas ("PUCT") pursuant to Texas Water Code § 13.1396 as an affected utility under Texas Water Code §13.1394. Additionally, this information will also be submitted to each transmission and distribution service provider, each retail electric provider, and the Limestone County Office of Emergency Management where the District has water or sewer facilities that qualify for critical load status.

The District has identified facilities as qualifying for critical load status. Information providing the general description and location of these critical load facilities are included as **Exhibit A.**

District Emergency Contact Information

The following is the emergency contact information, alternate emergency contact information, and the District's address.

Emergency Contact:

Name: Robert Murphey

Phone: 254-625-1884

Alternate Emergency Contact:

Name: Cynthia Simmons

Phone: 254-747-1368

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

REVISED
NOTICE OF DISTRICT PETITION

TCEQ Internal Control No. 06192007-D02

PETITION. White Rock Water Supply Corporation (Petitioner) has filed a petition with the Texas Commission on Environmental Quality (TCEQ) to convert White Rock Water Supply Corporation to White Rock Special Utility District (District), to transfer Certificate of Convenience and Necessity (CCN) No. 12547 from White Rock Water Supply Corporation to White Rock Special Utility District. White Rock Special Utility District's business address will be: 841 LCR 463, Mexia, Texas 76667. The petition was filed pursuant to Chapters 49 and 65 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ.

The nature and purpose of the petition are for the conversion of White Rock Water Supply Corporation and the organization, creation and establishment of White Rock Special Utility District under the provisions of Article XVI, Section 59, Texas Constitution, and Chapter 65 of the Texas Water Code, as amended. The District shall have the purposes and powers provided in Chapter 65 of the Texas Water Code, and CCN No. 12547 shall be transferred as provided in Chapter 13, of the Texas Water Code, as amended. The nature of the services presently performed by White Rock Water Supply Corporation is to purchase, own, hold, lease and otherwise acquire sources of water supply; to build, operate and maintain facilities for the transportation of water; and to sell water to individual members, towns, cities, private businesses, and other political subdivisions of the State. The nature of the services proposed to be provided by White Rock Special Utility District is to purchase, own, hold, lease, and otherwise acquire sources of water supply; to build, operate, and maintain facilities for the storage, treatment, and transportation of water; and to sell water to individuals, towns, cities, private business entities and other political subdivisions of the State. Additionally, it is proposed that the District will protect, preserve and restore the purity and sanitary condition of the water within the District. It is anticipated that conversion will have no adverse effects on the rates and services provided to the customers.

The proposed District, consisting of two areas "A" and "B", is located in Limestone County and will contain approximately 37,172 acres (20.18 square miles). The territory to be included within the proposed District includes all of the singularly certified service area covered by CCN No. 12547 and is set forth in the following boundary description designated as Exhibit "A" hereto. The proposed District is also depicted in the following vicinity map designated as Exhibit "B" hereto.

CCN No. 12547 will be transferred after a positive confirmation election.

CONTESTED CASE HEARING. The TCEQ may grant a contested case hearing on this petition if a written hearing request is filed within 30 days after the newspaper publication of this notice.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the petitioner and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed district's boundaries. You may also submit your proposed adjustments to the petition which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director may not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

INFORMATION. Written hearing requests should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087. For information concerning the hearing process, please contact the Public Interest Counsel, MC 103, at the same address. For additional information, individual members of the general public may contact the Districts Review Team, at 1-512-239-4691. Si desea información en Español, puede llamar al 1-512-239-0200. General information regarding TCEQ can be found at our web site at www.tceq.state.tx.us.
