Re: Critical Infrastructure, Project 52299  
Gulf Coast Authority

To Whom It May Concern:

In accordance with SB 3 and Project 52299, Gulf Coast Authority is providing the list of wastewater facilities that it owns and operates. We request that all information submitted for Project 52299 be considered confidential and therefore, the required filing will be sent by mail in the confidential manner prescribed.

If you have any questions, contact Scott Harris at (281) 488-4115.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Harris", is written over a horizontal line.

Scott Harris  
Chief Operating Officer  
Gulf Coast Authority
