Re: Project 52299
Style: COORDINATION OF EMERGENCY OPERATIONS PURSUANT TO TWC §13.1396(C)
Filing Party: City of Winters

Dear Sir / Madam:

On behalf of the City of Winters, Enprotec / Hibbs & Todd, Inc. is providing the coordination of emergency operations pursuant to TWC §13.1396(C). The required information is provided as follows:

- Water / Wastewater Utility Name: City of Winters
- Public Water System: City of Winters
PWS ID: TX2000003
- Wastewater System: City of Winters
- Location and general description of the facility of all critical load water and sewer facilities:

The location and general description information along with additional details for each facility were provided to the electric utilities that provide transmission and distribution service (AEP and Coleman County Electric Cooperative (CCEC)) and retail electric provider that sells electric power to the utility (TXU in the AEP service area); the critical load applications for AEP and CCEC are attached which contain the required information. The coordination verification emails are attached following the critical load applications.

All facilities are located in Runnels County.

The notification was previously provided to the electric utilities that provides transmission and distribution service (AEP and CCEC) and the retail electric provider that sells electric power to the utility in the AEP service area. This letter is being sent to the Public Utility Commission, the Runnels County Emergency Management office in which the utility has water and wastewater facilities that qualify for critical load, and the Texas Department of Emergency Management (TDEM).

Please feel free to contact me with any questions or comments.

Sincerely,

Sheila Lincoln
Acting City Secretary
