Re: Project 52299
TWC 13.1396 - Critical Load Status
Kendall County Water Control and Improvement District No. 2A
(aka Esperanza)

To Whom it May Concern:

On behalf of Kendall County Water Control and Improvement District No. 2A (District), please accept this letter as our response to requirements set forth under Texas Water Code (TWC) 13.1396 regarding Critical Load Status.

The public domestic water and wastewater systems within the District are owned and operated by the City of Boerne. The District has coordinated with the City of Boerne and is authorizing them to submit on behalf of the District the necessary information regarding Critical Load Status.

If you require any additional information from the District, please do not hesitate to contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey McKinnie".
