Re: Project 52299  
TWC 13.1396 - Critical Load Status  
Kendall County Municipal Utility District No. 1  
(aka The Springs at Cordillera Ranch)

To Whom it May Concern:

On behalf of Kendall County Municipal Utility District No. 1 (District), please accept this letter as our response to requirements set forth under Texas Water Code (TWC) 13.1396 regarding Critical Load Status.

The public domestic water and wastewater systems within the District are owned and operated by the Guadalupe Blanco River Authority (GBRA). The District has coordinated with GBRA and is authorizing them to submit on behalf of the District the necessary information regarding Critical Load Status.

If you require any additional information from the District, please do not hesitate to contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey McKinnie".
