Re: Affected Utilities Required Information Pursuant to Texas Water Code §13.1396  
(Senate Bill 3)

To the Public Utility Commission:

Bistone Municipal Water Supply District (the “District”) is a conservation and reclamation district existing and operating under Article XVI, Section 59 of the Texas Constitution. The District submits the following information to the Public Utility Commission of Texas (“PUCT”) pursuant to Texas Water Code § 13.1396 as an affected utility under Texas Water Code §13.1394. Additionally, this information will also be submitted to each transmission and distribution service provider, each retail electric provider, and the Limestone County Office of Emergency Management where the District has water or sewer facilities that qualify for critical load status.

The District has identified facilities as qualifying for critical load status. Information providing the general description and location of these critical load facilities are included as **Exhibit A**.
