October 26, 2021

To Whom It May Concern:

City of Sundown Municipal Water and Sewer system are located in Sundown, Texas. City of Sundown has 6 water wells and 2 Booster stations in the water system. Sewer System currently has 4 lift stations. These facilities rely on electric power in order to operate. These locations a critical in the daily operations of the city. I have provided maps that designate the locations of the critical infrastructure.
