To Whom it may concern,

Please accept this letter as an official request for designation of Critical Load Status for Elm Ridge Water Company, Inc. (PWS 0460202)

The physical address of the facility is: 0 Elm Path, Spring Branch, TX 78070

The mailing address is: 2245 Elm Ridge Dr., Spring Branch, TX 78070

Elm Ridge Water is a member owned company serving 22 residential properties in Elm Ridge Estates located in Comal County, Texas. The average daily production rate for the past 12 months was 4,089 gal/day.

The facility includes one well with a submersible pump, two holding tanks and pressure pumps to service the community. There is currently no battery or backup capacity for the facility, therefore it cannot operate without electricity from the electric utility. The facility can start-up immediately upon restoration of power.

The retail electric provider for Elm Ridge Water is Pedernales Electric Cooperative (PEC). Please see their completed application for Critical Load Status attached.
