Hello Luci,

Thank you for sending this over. Since you have already filed with PUCT and notified the utility, no further action will be needed from Gexa. We will keep for our records and await for the utility to update the system flagging the ESI's as critical.

Please note: I will begin taking every Friday off until 12/3. For "Urgent Priority Move-ins" please include this in your subject line, as someone will be monitoring my inbox. All other request I will respond when I return.

Sincere Thanks,

Melinda Moreno
