RE: Project 52299

To Whom It May Concern:

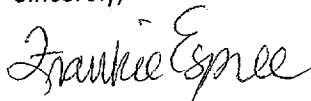

Please accept the following as the necessary information needed in response to the Senate Bill 3, 87th Legislature, Regular Session, Compliance Guidance-Texas Water Code (TWC) §13.1396. Raywood Water Supply Corporation is a nonprofit, member owned, water supply utility that provides water to its members. The system can be classified as an "affected utility" as per TWC §13.1394. There are no other affiliates.

Our system is currently operated by certified operators of Innovative Utility Operations (IUO), David Sutton, Cell-832-771-4246. Point of contact is Office Manager, Frankie Espree, Cell-936-776-2981. Alternative Points of Contacts are Operations Manager, Shayne Carter, Cell-936-253-0591 or General Manager, Todd Fontenot, Cell-936-672-6282.

The system owns two plant facilities in Liberty County that qualify for critical load status. Plant #1 is located at physical address of 47 CR 1820, Liberty, TX 77575. You will find a Well, Elevated Tank, Chlorine Building with one Chlorine Gas Cylinder and Ejector, two Control Panels and a 50 KW Stationary Generator.

Plant #2 is located at physical address of 189 FM 2830 North, Liberty, TX 77575. This facility has a Well, Ground Storage Tank, two Booster Pumps, two Air Compressors, two Chlorine Cylinders with Ejectors, three Hydro Pneumatic Tanks and a 100 KW Stationary Generator.

Sincerely,

Frankie Espree, Office Manager
