Project 52299

Affected Utility

The City of Morgan's Point Resort operates both a purchase water system and a wastewater treatment system.

The public water system ID is TX0140116. We have one pump station in our system, and it is located at 545 Morgan's Point Road, Morgan's Point Resort Texas, 76513 and serves to fill an elevated storage tank from a ground storage tank. This site is registered with Oncore Electric Service as a critical load facility.

We have one wastewater treatment plant, TPDES Permit No. WQ0010918002 located at 9 Helmsman Dr. Morgan's Point Resort, Texas 76513. This plant is also registered with Oncore Electric Service as a critical load facility.

Points of contact are.

Jesse Measles, Director of Utilities, 254-534-2405.

Cody Arnold, Chief Utility Operator, 254-482-2501.

Mailing address is.

Morgan's Point Resort Utilities, 8 Morgan's Point Blvd. Morgan's Point Resort Tx. 76513.
