RE: East Bell WSC TX0140118, PUC Project 52299, Senate Bill 3 Critical Load Designation

East Bell Water Supply Corporation is a public water supply located in Bell County and Falls County. According to Senate Bill 3, we are required to file critical load status information to the Public Utility Commission of Texas, each retail electric provider, division of emergency management of the governor and the office of emergency management of each county where our facilities qualify for critical load status.

Please see the attached document with the locations and descriptions of our facilities.

Please send confirmation this filing has been received.

Should there be any questions or more information needed please feel free to contact our office.

Thank you,

East Bell Water Supply Corporation

Re: Critical Load Designation

To Whom It May Concern:

The accounts listed below are designated Critical Load by Heart of Texas Electric Cooperative for East Bell Water Corp:

East Bell Water Corp
13981 ST. Hwy 53
Temple TX 76501

East Bell Water Corp
19851 ST. Hwy 53
Temple TX 76501

East Bell Water Corp
12383 Stringtown Road
Temple TX 76501

East Bell Water Corp
16490 ST Hwy 53
Temple TX 76501

East Bell Water Corp
10705 Wedel Cemetery Rd.
Temple TX 76501

Critical Load Status cannot guarantee an uninterrupted regular or continuous power supply. If electricity is a necessity, you must make other arrangements for on site back-up capabilities or other alternatives in the event of loss of service.

If you have questions or need further information, please let me know.

Sincerely

Ron Poston
Member Services Manager
