City Of Aspermont's Affected Utilities:

PWS: #2170001

Description:

Serving approximately 591 meter connections in the City of Aspermont and Stonewall County. We have one 500,000 gallon ground storage tank and pump station located in Haskell County located in Haskell Tx. We also have one 500,000 gallon ground storage tank and pump station along with 4 water wells located also in Haskell County just west of Rule Tx. We have two ground storage tanks a 400,000 gallon and a 500,000 gallon located in Aspermont in Stonewall County where we chlorinate our water there again. Just west of those GST we have our pump house and here we pump water to town and fill our 100,000 gallon elevated storage tank in the middle of Aspermont.
