Lower Colorado River Authority (LCRA),  
And  
The Division of Emergency Management (TDEM).

Re: Senate Bill (SB) 3 of the 87<sup>th</sup> Legislature of the State of Texas and Texas Water Code §13.1396  
Project No.: 3-00801

To Whom It May Concern:

Walker Partners Engineers & Surveyors has been contracted on behalf of the City of Bastrop to assist in completing the requirements of Senate Bill 3. As an affected utility, the City of Bastrop is providing critical load status information for their water distribution, wastewater collection, and treatment assets along with emergency contact information for compliance with Senate Bill 3 of the 87<sup>th</sup> Legislature of the State of Texas and Texas Water Code §13.1396.

The LCRA generates and transmits power, then BBEC and Bastrop Power & Light distributes the power to its customers which includes the City of Bastrop.

*Table 1* is a list of the Critical Load Status Facilities with descriptions and each location. All these facilities are shown on a map in **Exhibit 1**. *Table 2* details the emergency contacts.
