Re: Project 52299
Style: COORDINATION OF EMERGENCY OPERATIONS PURSUANT TO TWC §13.1396(C)
Filing Party: City of Westbrook

Dear Sir / Madam:

On behalf of the City of Westbrook, Enprotec / Hibbs & Todd, Inc. is providing the coordination of emergency operations pursuant to TWC §13.1396(C). The required information is provided as follows:

- Water Utility Name: City of Westbrook
- Public Water System: City of Westbrook
PWS ID: TX1680008
- Location and general description of the critical load water facility:

The location and general description information along with additional details for the facility were provided to the electric utility that provides transmission and distribution service (Oncor). This letter is being provided to the retail electric provider that sells electric power to the utility (Summer Energy, LLC) via mail because no email receipt confirmation was received to date. The table that follows this letter contains the required information; the coordination emails are attached following the table.

The facility is located in Mitchell County.

- Emergency contact information including point of contact, alternate point of contact, and mailing address are included on the attached table.

This letter is being sent to the Public Utility Commission, the County Emergency Management office in which the utility has a water facility that qualifies for critical load, the retail service provider, and the Texas Department of Emergency Management (TDEM).

Please feel free to contact me with any questions or comments via telephone on my cell at (817) 694-8382, at the office at (325) 698-5560, via email at luci.dunn@e-ht.com, or in writing at the Abilene Office address.

Sincerely,

Enprotec / Hibbs and Todd, Inc.
