2021 OCT 23 AM 8:52

This letter is to comply with Project 52299, Senate Bill 3 of the 87th State Legislature, Regular Session and to advise parties that the City of La Coste Water and Sewer utilities meet the Texas Water Code §13.1394 definition of an "affected utility". Per §13.1396 of the Texas Water Code, the City is providing general information on the critical load infrastructure required for the water and sewer utilities.

The City of La Coste is a rural community and serves a population approximately 1,400 people and industry in Medina County, Texas.

All listed facilities receive electric service from City Public Service based in San Antonio, Texas. All sites listed qualify for critical load status.
