Control Number - 52299
ItemNumber - 647

To whom it may concern,

The city of Fair oaks ranch and its Water Utility company meets the criteria set forth to be deemed an “Affected Utility.” The utility and its facilities should be classified as a Critical Load Status, per Senate Bill 3, 87th Legislature, Regular Session Compliance Guidance - Texas Water Code (TWC) §13.1396.

Please send any correspondences to Fair Oaks Ranch Utility - Assistant Public Works Director Julio Colunga at 7286 Dietz Elkhorn, Fair Oaks Ranch, Texas 78015.

The following locations are classified as critical load facilities:

A map notating all locations has been included and is also available in GIS format upon request.

*location with this mark are listed under City of Boerne Zipcode and address
