Re: Designation of Certain City of Abilene Water Utility Facilities as Critical Load Public Safety Customer

Dear Peter,

The 87th Texas Legislature recently passed Senate Bill 3, which includes changes to the Texas Water Code (TWC) in response to the February 2021 Winter Storm Event. As an “affected utility”, the City of Abilene (Abilene) is required to submit notifications of critical load facilities to its Transmission-Distribution Utilities, Retail Electrical Providers, the Public Utilities Commission of Texas, affected County Emergency Management Offices, and the Texas Division of Emergency Management. The below information, and the enclosed detailed list of electrical service meters, is Abilene’s formal notification of Critical Load Public Safety Customer status for Abilene’s listed facilities.

City of Abilene Municipal Water Utilities:

Public Water System, TCEQ PWS ID No. 2210001
Publically Owned Treatment Works, TPDES Permit No. WQ0010334004
