CITY OF SEYMOUR

301 N. Washington
Seymour, Texas 76380
(940) 889-0023

Name: City of Seymour 10/28/21

301 N. Washington Street/ City of Seymour Electric Department (Lower Colorado River Authority)

Re: Critical Loads for City of Seymour

To Whom It May Concern,

Senate Bill 3 (SB3), a new state law, includes a requirement for water/wastewater utilities to submit critical load information to their electric provider, the Public Utility Commission of Texas (PUCT), the Texas Department of Emergency Management (TDEM), and the local County Office of Emergency Management by November 1, each year. As per this requirement, the City of Seymour Water Department, hereby submits the following water / wastewater accounts as critical loads to the entities listed above.

Account Name	Account Number	Account Description	Physical Address
Booster Station		Fills primary storage sandpipe on the hill and hospital and school	E. California Street
R.O. Water Plant Wastewater Station		Water treatment plant Where wastewater is processed.	West Smajastrla Lane 1500 S. Stratton
Lift Station 1		Push water to wastewater plant	East Pecan
4 Water Wells		Water needed to operate plant	West Smajastrala Lane Property Harris Lease
Lift Station 2		Push water to waste water station	West Brazos
Lift Station 3		Push water to waste water station	West Custer St.
Lift Station 4		Push water to waste water station	Whiteside St.
Lift Station 5		Push water to waste water station	N. Compress Rd.
