PLEASANTON TEXAS

"BIRTHPLACE OF THE COWBOY"

2021 OCT 29 AM 8:51

PUBLIC UTILITY COMMISSION
FILING CLERK

This letter is to comply with Project 52299, Senate Bill 3 of the 87th State Legislature, Regular Session and to advise parties that the City of Pleasanton Water and Sewer utilities meet the Texas Water Code §13.1394 definition of an "affected utility". Per §13.1396 of the Texas Water Code, the City is providing general information on the critical load infrastructure required by the water and sewer utilities.

The City of Pleasanton serves a population of over 11,000 people and industry in Atascosa County.

All listed facilities receive electric service from either AEP Texas and/or Karnes Electric and are designated on the following list. All sites listed qualify for critical load status.
