Austin, Texas 78711-3326

Re: **Benbrook Water Authority
Critical Load Status Designation**
Senate Bill 3, 87th Legislature, Regular Session, TWC § 13.1396
PUCT Project No. 52299

To Whom it May Concern:

Benbrook Water Authority (formerly Benbrook Water & Sewer Authority) is an “affected utility” as defined in TWC § 13.1394. Accordingly, per the requirements of the referenced Senate Bill 3, we are providing the following information to identify facilities which we believe qualify for critical load status. Critical facility and utility contact information is provided below:

Critical Facilities
