Corix Utilities (Texas) Inc. ("Corix Texas") is an "affected utility" under TWC Section 13.1394 and submits this letter and confidential attachment to meet the requirements in TWC Section 13.1396(c). The attachment identifies all locations and electric accounts that we believe qualify for critical load status along with the associated public water system ID or water quality permit number, description of the facilities, and primary and alternative contact names, titles, phone numbers and email addresses. The required information has been submitted to each electric utility that provides transmission and distribution services to Corix Texas, each retail electric provider that sells electric power to Corix Texas, the office of emergency management or emergency management coordinator for each county in which Corix Texas has facilities that qualify for critical load status and, by means of copy of this letter and attachment, to the division of emergency management of the Governor.

Corix Utilities (Texas) Inc.'s mailing address for matters related to this requirement and all accounts listed in the attachment is 1812 Centre Creek Drive, Suite 100, Austin, TX 78754. Please do not hesitate to contact me if you have any questions.

Respectfully,
