Control Number - 52299

ItemNumber - 806

October 29, 2021

The Public Utility Commission of Texas
1701 N Congress PO Box 13326
Austin, Texas 78701

Re: Senate Bill 3 Affected Utility Filing

To Whom It May Concern:

Please find enclosed with this letter information for the City of Huntsville's (PWSID TX2360001) water (CCN No. 12824) and wastewater (CCN No. 20830) utilities regarding critical system infrastructure. The enclosed map and table describe critical utility infrastructure and provide geographic location information. The enclosed information meets the requirements of Senate Bill 3, 87th Legislature, Regular Session, Compliance Guidance for Texas Water Code §13.1396. The City has filed this information with (1) Entergy, the City's retail electric provider and transmission and distribution utility for most of their system, (2) MidSouth Electric Co-op, the City's retail electric and distribution provider for part of their system, (3) the Walker County Office of Emergency Management, and (4) the Texas Division of Emergency Management.

Brent Sherrod, City of Huntsville Director of Public Works, will serve as the point of contact and can be reached at 936-294-5707 and bsherrod@huntsvilletx.gov. Kim Kembro, City of Huntsville Assistant Public Works Director, will serve as the alternative point of contact and can be reached at 936-294-5735 and kkembro@huntsvilletx.gov. The utility mailing address is 1212 Avenue M, Huntsville, TX 77340.

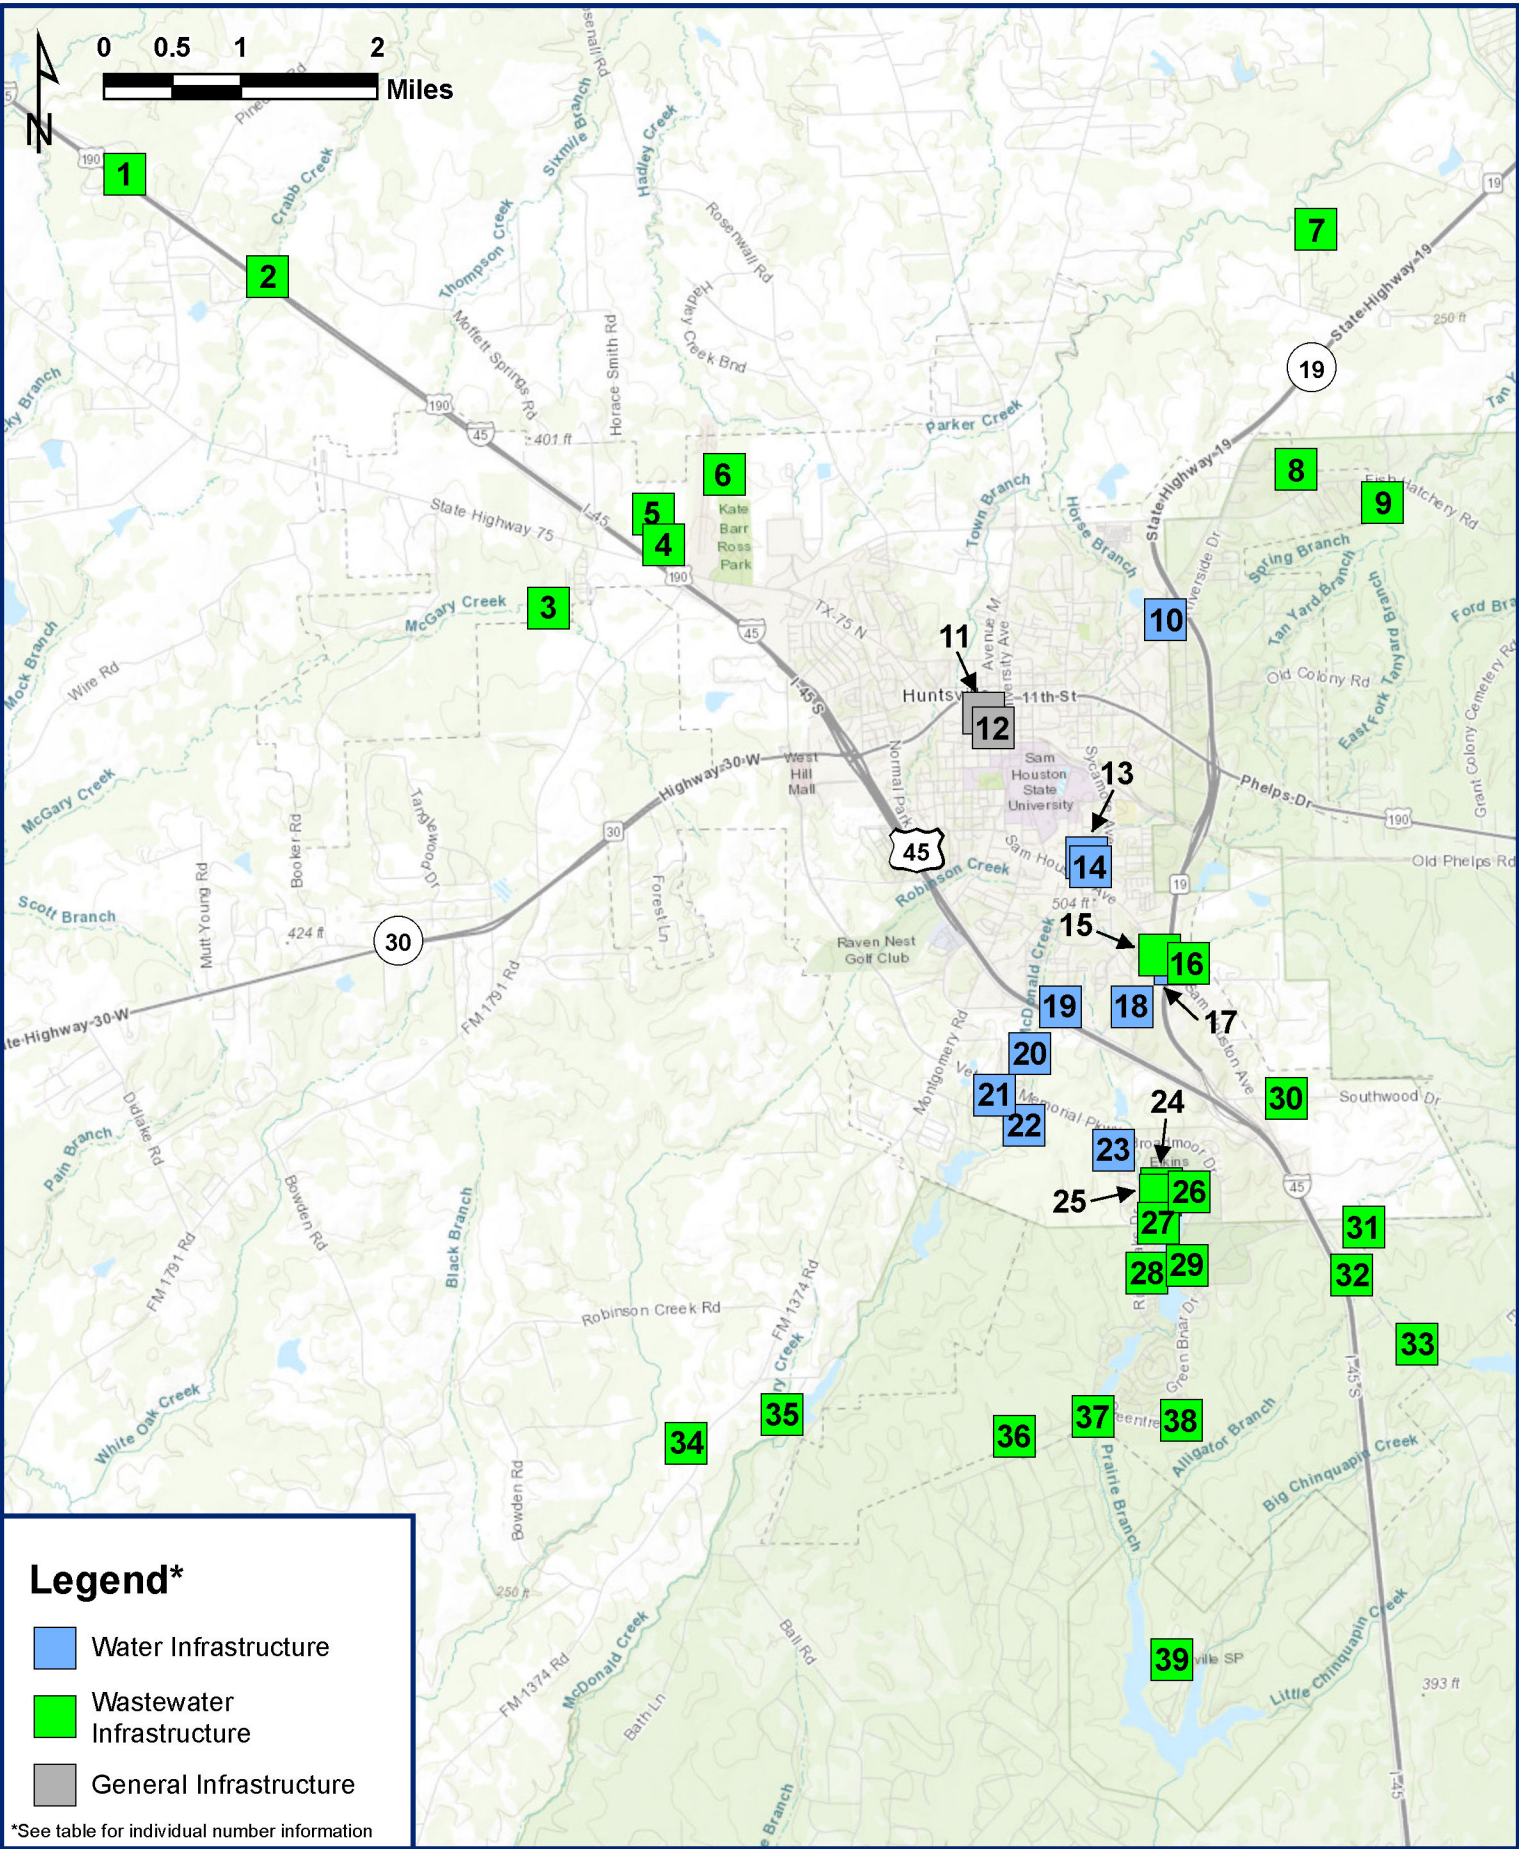

Please confirm receipt of this letter by emailing Kim Kembro at the address listed above.

Respectfully yours,

Kim Kembro
Assistant Public Works Director, City of Huntsville, TX

Enclosures: Critical Infrastructure Map; Critical Infrastructure Information Table
