October 21, 2021

To: Whom it May Concern

Re: PUCT Project 52299

Dear Sir/Madam,

Tarrant Regional Water District submits this letter in response to Project 52299, requiring specific information to be filed with several agencies by November 1, 2021. Tarrant Regional Water District (TRWD) identifies itself as an “affected utility”, as defined by TWC § 13.1394. TRWD is solely known and operated under the name Tarrant Regional Water District.

TRWD Mailing Address:

800 E. Northside Dr.
Fort Worth, Tx 76102

Chief of Water Resources Officer
Rachel A. Ickert, P.E., D. WRE
817-335-2491

Energy Manager
Devin Taylor
817-720-4215

Communications Center
817-720-4584

Please find included maps and a list of Critical Facilities specific to the recipient of this letter. TRWD service area covers 11 counties and Critical Facilities are sited in 6 counties in the North Central Texas region. TRWD is served by two Retail Electric Providers and two Transmission and Distribution Service Providers (TDSPs or

October 29, 2021

TDUs) as well as two rural electric cooperatives and a generation and transmission cooperative.

This filing is intended to be repeated yearly, and the Critical Facilities List will continue to change as TRWD grows to serve population and demand and new infrastructure is completed.

Sincerely,

Devin Taylor
Energy Manager
Tarrant Regional Water District
808 E. Northside Dr
Fort Worth, TX 76102
