Re: Critical Load Facilities and Emergency Contact Information

For Whom it May Concern:

As an affected utility under the newly formed Section 13.1394 of the Texas Water Code, the San Jacinto River Authority (SJRA) Lake Conroe Division is submitting to you, "the utility commission", information regarding the water facilities that qualify for critical load status.

Following Section 13.1396(c) of the Texas Water Code, SJRA is submitting the following information:

- The general description and location of the water facilities that qualify for critical load status and
- the SJRA Lake Conroe Division mailing address, emergency contact personnel, and an alternative emergency contact personnel.

The aforementioned information can be found in the attachments following this letter.

We look forward to continuing our partnership to ensure that our customers are able to continue to reliably receive raw water during emergencies. Should you require any additional information or have any questions please do not hesitate to contact us at (936) 588-7139 or via email at braley@sjra.net.

Sincerely,

Bret Raley
Lake Conroe Division Manager
San Jacinto River Authority
