RE: City of Kingsville

*Project 52299 Senate Bill 3, 87th Legislature, Regular Session Texas Water Code (TWC) §13.1396
Letter of Notification*

To Whom it May Concern,

Per the Public Utility Commission of Texas (PUCT) Project 52299 and Senate Bill 3, 87th Legislature, Regular Session TWC §13.1396, entities that meet the definition of "affected utilities" under TWC §13.1394 must file specific information with the PUCT in Project 52299 by November 1, 2021. This information must also be filed with each transmission and distribution service provider, each retail electric provider, and the office of emergency management of each county where the utility has water or sewer facilities that qualify for critical load status which is defined under the Utilities Code Subtitle A. Chapter 17. Subchapter A Sec. 17.002. as "an industrial customer for whom an interruption or suspension of electric service will create a dangerous or life-threatening condition on the customer's premises".

The City of Kingsville is submitting the enclosed letter to the PUCT electronically via the PUCT Interchange Filer to meet the PUCT requirements described above. The required Kingsville facility information is provided below:
