Sagerton WSC  
2464 State Hwy 283  
Sagerton, TX 79548

Oct. 29, 2021

Public Utility Commission of Texas

Project 52299

The Sagerton WSC is a community water system serving residential customers. We purchase treated water from the City of Stamford.

We have 2 pump stations receiving treated surface water from city of Stamford.

1. Davis Pump Station  
6930 State Hwy 6 South
2. Spitzer Pump Station  
State Hwy 283 and County road 490

The point of contact for Sagerton WSC is Roy Lee Bell. He can be reached at 940-200-0633.

The alternative point of contact is Linda Thaxton (Water Operator). I can be reached at 325-665-2980 or email at [lmthax@gmail.com](mailto:lmthax@gmail.com).
