Re: Project 52299
Style: COORDINATION OF EMERGENCY OPERATIONS PURSUANT TO TWC §13.1396(C)
Filing Party: City of Roscoe

Dear Sir / Madam:

On behalf of the City of Roscoe, Enprotec / Hibbs & Todd, Inc. is providing the coordination of emergency operations pursuant to TWC §13.1396(C). The required information is provided as follows:

- Water Utility Name: City of Roscoe
PWS ID: TX1770001
- Wastewater Utility Name: City of Roscoe
- Location and general description of all critical load water and wastewater facilities:

The location and general description information along with additional details for each facility were provided to the electric utility that provides transmission and distribution service (Oncor) and the retail electric provider that sells electric power to the utility (TXU). A summary table of the critical load details is attached along with the coordination emails with Oncor and TXU.

All facilities are located in Nolan County.

- Emergency contact information:
The emergency contact information is found in the summary table and includes a point of contact, alternate point of contact, and mailing address.

This letter is being sent to the Public Utility Commission, the County Emergency Management office in which the utility has water and wastewater facilities that qualify for critical load (Nolan County), and the Texas Department of Emergency Management (TDEM).
