Public Utility Commission of Texas

This is to provide notice that Nitsch and Son Utility Co., Inc. located at 8131 Northline Drive Houston, Texas 77037 is required to file with the PUC that we are a critical electrical load customer for both water and sewer utilities doing business in the State of Texas.

The critical electrical loads are located at:

222 E. Carby Road Houston, Texas 77037 (water plant)

8115 Northline Drive Houston, Texas 77037 (sewer plant)

Both the water plant and sewer plants provide approximately 2500 customers and we are requesting critical load status.
